

KÄRCHER

makes a difference

**THE CLASSICS OFFER SIZE & DURABILITY
IN A COST EFFECTIVE PACKAGE.**

The choice is yours with these economically designed scrubbers.

PROFESSIONAL | BD CLASSIC SERIES

You can count on our easy-to-use Classics.

Designed to meet all of your scrubbing needs without breaking the bank. With the BD 70/75 W Classic Bp, BD 80/100 W Classic Bp and BD 50/50 C Classic Bp scrubbers, Kärcher presents its Classic Scrubber line. These machines are battery-operated, have a very solid construction, and are characterized by their simple operations. They offer an economical start in floor cleaning and are suitable for use in industrial facilities, retail stores, municipalities, education and in cleaning commercial buildings. No matter the area size you're cleaning, there's a classic solution to fit.

BD 80/100 W BP CLASSIC

BD 70/75 W BP CLASSIC

BD 50/50 C CLASSIC BP

1 Easy to use

- Classic scrubbers are easy to operate, allowing shorter training times, immediate familiarity with the machine, and less operating errors.

2 Robust scrub deck

- On both BD 80/100 & BD 70/75 the components such as the scrub deck and squeegee are made of durable aluminum which affords the user longer life in tough applications.

3 Batteries

- Wet and AGM battery options are available. A shelf charger is included with all three machines.

4 Adjustable brush pressure

- The BD 80/100 & BD 70/75 offer adjustable brush pressure for much greater flexibility for cleaning on all types of floors. With up to 200 lbs of down pressure.

5 No-tool pad/brush change

- Rigid brush T-handle enables quick change from pad to brush.

6 Home base

- Home base kit allows for carrying of other essentials, resulting in less trips to the supply closet.
