TJ 9000

THE "ORIGINAL" TRAILER JOCKEY

PURE MUSCLE!

THE ULTIMATE POWER PLAYER, designed for maximum uptime. From the one-piece structural steel frame to the interior of the all-steel cab, every aspect of the TJ 9000 is engineered to meet the needs of the **BIGGEST JOBS!**

The TJ 9000 is ideal for extra-heavy-duty applications, capable of moving up to 180,000 pounds. Whether on the road or in the yard, when you add the industry-exclusive Capacity DURA-RIDE® suspension, you now have **THE MUSCLE** plus a satisfying day in the saddle!

CAPACITY®
REV GROUP
